# Castors and Wheels

# Nylon Castors

## "G" Series

| Code  | Type   | Diameter (Wheel) | Overall Height | Capacity (Kg) |
|-------|--------|------------------|----------------|---------------|
| CGN32 | Swivel | 32mm             | 41mm           | 20            |
| CGN38 | Swivel | 38mm             | 50mm           | 30            |

## "61 & 88" Series

| Code   | Type   | Diameter (Wheel) | Overall Height | Capacity (Kg) |
|--------|--------|------------------|----------------|---------------|
| C61NY9 | Swivel | 50mm             | 63mm           | 50            |
| C61NY2 | Swivel | 65mm             | 84mm           | 80            |
| C61NY3 | Swivel | 75mm             | 98mm           | 90            |
| C61NY4 | Swivel | 100mm            | 128mm          | 120           |
| C88NY9 | Fixed  | 50mm             | 63mm           | 50            |
| C88NY2 | Fixed  | 65mm             | 84mm           | 80            |
| C88NY3 | Fixed  | 75mm             | 98mm           | 90            |
| C88NY4 | Fixed  | 100mm            | 128mm          | 120           |

## "22" Series

| Code      | Type         | Diameter (Wheel) | Overall Height | Capacity (Kg) |
|-----------|--------------|------------------|----------------|---------------|
| C422NY    | Swivel       | 100mm            | 128mm          | 150           |
| C422NY/BK | Swivel/Brake | 100mm            |                |               |
| C522NY    | Swivel       | 125mm            | 159mm          | 250           |
| C522NY/BK | Swivel/Brake | 125mm            |                |               |
| C429NY    | Fixed        | 100mm            | 128mm          | 150           |
| C529NY    | Fixed        | 125mm            | 159mm          | 250           |

- Please note the "UOO" series looks the same as the above, they just come in a much less common size. Specs to follow.

## "UOO" Series

| Code            | Type   | Diameter (Wheel) | Overall Height | Capacity (Kg) |
|-----------------|--------|------------------|----------------|---------------|
| CT3480UOO080P60 | Swivel | 80mm             | 110mm          | 80            |
| CT3487UOO080P60 | Brake  | 80mm             | " "            | " "           |
| CT3478UOO080P60 | Fixed  | 80mm             | " "            | " "           |

## "Institutional"

| Code            | Type            | Diameter (Wheel) | Overall Height | Capacity (Kg) |
|-----------------|-----------------|------------------|----------------|---------------|
| CT2470POO050P30 | Bolt hole       | 50mm             | 70mm           | 50            |
| CT2470POO050P40 | Plate           | 50mm             | 72mm           | 50            |
| CT2475POO050P30 | Bolt hole/Brake | 50mm             | 70mm           | 50            |
| CT2475POO050P40 | Plate/Brake     | 50mm             | 72mm           | 50            |
| CT2470POO075P30 | Bolt hole       | 75mm             | 102mm          | 75            |
| CT2470POO075P40 | Plate           | 75mm             | 104mm          | 75            |
| CT2475POO075P30 | Bolt hole/Brake | 75mm             | 102mm          | 75            |
| CT2475POO075P40 | Plate/Brake     | 75mm             | 104mm          | 75            |
| CT2478POO050P40 | Fixed           | 50mm             | 70mm           | 50            |
| CT2478POO075P40 | Fixed           | 75mm             | 102mm          | 75            |

## Polyurethane Castors

### "61" Series

| Code   | Type   | Diameter (Wheel) | Overall Height | Capacity (Kg) |
|--------|--------|------------------|----------------|---------------|
| C61PU3 | Swivel | 75mm             | 98mm           | 85            |
| C61PU4 | Swivel | 100mm            | 128mm          | 100           |
| C88PU3 | Fixed  | 75mm             | 98mm           | 85            |
| C88PU4 | Fixed  | 100mm            | 128mm          | 100           |

## “TS/TF” Series

| Code      | Type          | Diameter (Wheel) | Overall Height | Capacity (Kg) |
|-----------|---------------|------------------|----------------|---------------|
| CTSPU4    | Swivel        | 100mm            | 142mm          | 280           |
| CTSPU4/BK | Swivel/ Brake | 100mm            | 142mm          | 280           |
| CTSPU5    | Swivel        | 125mm            | 164mm          | 300           |
| CTSPU5/BK | Swivel/ Brake | 125mm            | 164mm          | 300           |
| CTSPU6    | Swivel        | 150mm            | 190mm          | 350           |
| CTSPU6/BK | Swivel/ Brake | 150mm            | 190mm          | 350           |
| CTSPU8    | Swivel        | 200mm            | 240mm          | 400           |
| CTSPU8/BK | Swivel/ Brake | 200mm            | 240mm          | 400           |
| CTFPU4    | Fixed         | 100mm            | 142mm          | 280           |
| CTFPU5    | Fixed         | 125mm            | 164mm          | 300           |
| CTFPU6    | Fixed         | 150mm            | 190mm          | 350           |
| CTFPU8    | Fixed         | 200mm            | 240mm          | 400           |

## “TH/THR” Series

| Code      | Type   | Diameter (Wheel) | Overall Height | Capacity (Kg) |
|-----------|--------|------------------|----------------|---------------|
| CTH4PUB   | Swivel | 100mm            | 154mm          | 350           |
| CTH5PUB   | Swivel | 125mm            | 180mm          | 450           |
| CTH6PUB   | Swivel | 150mm            | 206mm          | 750           |
| CTH8PUB   | Swivel | 200mm            | 256mm          | 900           |
| CTH10PUB  | Swivel | 250mm            | 305mm          | 1000          |
| CTH12PUB  | Swivel | 300mm            | 356mm          | 1000          |
| CTHR4     | Fixed  | 100mm            | 154mm          | 350           |
| CTHR5     | Fixed  | 125mm            | 180mm          | 450           |
| CTHR6     | Fixed  | 150mm            | 206mm          | 750           |
| CTHR8     | Fixed  | 200mm            | 256mm          | 900           |
| CTHR10PUB | Fixed  | 250mm            | 305mm          | 1000          |
| CTHR12PUB | Fixed  | 300mm            | 356mm          | 1000          |

# Wheels

## “Solid Rubber”

| Code  | Diameter |
|-------|----------|
| WSR4  | 100mm    |
| WSR6  | 150mm    |
| WSR8  | 200mm    |
| WSR10 | 250mm    |

## “Lawn Mower”

| Code   | Diameter |
|--------|----------|
| WLM615 | 150mm    |
| WLM715 | 180mm    |

## “Cushion Tyred”

| Code     | Diameter |
|----------|----------|
| WCT4008B | 400mm    |

## “Plastic Spoked”

| Code     | Diameter |
|----------|----------|
| WRATA135 | 135mm    |
| WRATA150 | 150mm    |
| WRATA160 | 160mm    |
| WRATA180 | 180mm    |

## “Split Disc”

- Please note these wheels come with the option of a plan bore or ball bearing.

| Code   | Diameter |
|--------|----------|
| WSS062 | 150mm    |
| WSS082 | 200mm    |
| WSS102 | 250mm    |
| WSS122 | 300mm    |
| WSS143 | 350mm    |

## “Nylon Centred”

| Code            | Diameter    |
|-----------------|-------------|
| WSN062 & WSN082 | 150 & 200mm |

## “Pneumatic”

| Code     | Diameter |
|----------|----------|
| WSP1034B | 250mm    |

- Please note if there is something you are looking for that is not listed on our catalogue, please do not hesitate to give us a call. We sell a variety of many different wheels and castors. This catalogue is purely our fast-moving items and for information purposes.
